EVINCE

CITY CENTRE by navao

Bright, adaptable office spaces at Evince, a landmark 11-storey mixed-use development rising over Chandhanee Magu — at the beating heart of the capital.

Positioned minutes from the Majeedhee Magu junction, Evince places residents and businesses within walking distance of Sultan Park and the National Museum, schools, banks, cafés, restaurants, and everyday conveniences — a corner address that carries presence, credibility, and connection at the centre of the capital's life.

THE WORKSPACE

Evince's office floors are simple in the best way: regular, light-filled plates of around 1,000 sq.ft., with windows on two elevations of a corner building. Natural light moves through the space all day.

Each floor takes an open-plan team, a cellular layout, or a mix — and because the floors stack, a growing firm can take one today and add another as the team expands, without ever changing its address.

BUILDING IDEAL FOR

- Creative agencies and design studios that want the view in the room
- Technology companies and growing start-up teams
- Consultancies and professional services hosting regular client sessions
- Companies seeking a headquarters with built-in event space
- **Education and training providers running workshops and** cohorts (subject to use approvals)
- Remote-first teams needing a hub worth commuting for

THE SPACE | BUILDING AREA 1,000 Sq.ft.

A typical ~1,000 sq.ft. floor comfortably supports:

- A compact reception at the lift landing
- Open team seating along the corner glazing where the light is
- One private office or meeting room to the core
- Pantry and storage to the service side

For multi-floor tenants: client-facing functions on the lower floor, teams above.

BUILDING AMENITIES

- 24-hour security
- Passenger lift serving all floors
- Secure entrance lobby
- Striking contemporary façade with green planters
- Professional property management

THE LOCATION

Evince holds a prominent corner of Chandhanee Magu, minutes from its junction with Majeedhee Magu — the best-known intersection in the Maldives. For a business, the value is simple: every client, courier and candidate already knows where you are.

- Corner site on Chandhanee Magu and Didi Goalhi, in the capital's central district
- Minutes from Majeedhee Magu — the principal shopping and commercial street
- Surrounded by banks, government offices and the city's corporate addresses
- Minutes from Sultan Park and the National Museum
- Cafés, restaurants, supermarkets and pharmacies at the door — lunch, errands and client coffees all on foot

THE NAVAO DIFFERENCE

More than four walls and a lease.

NAVAO creates thoughtfully designed spaces for living, working, gathering, and growing. When you rent a NAVAO workspace, you rent the way the building is run: maintained without being asked, managed by people who answer, and designed around how teams actually work.

At Makhmaage, work sits at the top of a living building — homes below, a community around, and a landlord who treats the terrace the way you would: as the best room in the house.

navao

NAVAO creates thoughtfully designed spaces for living, working, gathering, and growing. Through homes, workspaces, outlets, hospitality, and institutions, **we shape environments that** encourage meaningful connections and enrich everyday experiences.

SERVICES & PROPERTY MANAGEMENT

Every NAVAO tenancy comes with a dedicated point of contact and professional property management — one call for anything the building needs.

Included in the rent

- Professional property management
- 24-hour building security
- Common-area upkeep and lift maintenance

Available at additional cost

- Quarterly air-conditioning maintenance (NAVAO care+, delivered with trusted partners)
- Professional cleaning services (to be confirmed for commercial floors)
